HOLLYWOOD, Fla. (WSVN) -- Hundreds of love birds gathered in Hollywood on Valentine's Day for a good cause.

The Love and Hope Committee hosted the 41st Annual Love and Hope Ball Saturday night. The black-tie gala was hosted by WSVN's Deco Drive anchor, Shireen Sandoval.

Guests were treated to dinner, a silent auction, and a special performance by Jon Secada. All of the proceeds will be donated to the Diabetes Research Institute.
