KENDRA SCOTT hosted a special '**Kendra Gives Back**' party on Friday, January 27th to celebrate the Grand Opening of its first Miami store. Located in **Brickell City Centre**, guests received a first look at the boutique and the latest Spring 2017 Collection as they shopped for a cause with a portion of the evening's proceeds benefitting **The Diabetes Research Institute Foundation**, an organization dedicated to funding research and finding a cure for diabetes. The soiree was co-hosted by T1D advocate, Shannon Allen.

Guests enjoyed healthy bites provided by grown, Shannon and Ray Allen's USDA organic certified fast food concept in Miami, as they danced the night away to popular beats by DJ Amanda Blaze.

"I am thrilled to call Miami one of our new Kendra Scott homes! This community has an energy, friendliness and passion for giving that fits so well with our brand's core values. I cannot wait to open our doors to this wonderful city. I look forward to connecting even more deeply and personally with our community here, and am excited to say that we'll be giving back to local charities in a big way." – Kendra Scott.
