INDULGE attended the Third Annual English Tea Party hosted by the Young Society of Love and Hope and asked...

## What gift do you most want for the holidays?

**WHAT** The Young Society of Love and Hope hosted the most proper Third Annual English Tea Party at the St. Regis Bal Harbour. More than 250 notables, donning hats of all sizes, shapes and color, were greeted by Royal Palace guards, and enjoyed formal tea service at tables appointed with fine silverware from Christoffle and floral arrangements by local florist Kalla.

**WHO** Socialite Jillian Posner and Bal Harbour dermatologist Dr. Stacy Chimento chaired the event, which honored Love and Hope International Chairman Linda Gibb (wife of legendary Bee Gee Barry Gibb).

**WHY** The event serves as a fundraiser for the [Diabetes Research Institute](#) at the University of Miami's Miller School of Medicine. It raised \$70,000 that afternoon.
